

# Online Australian LinSig User Group

## Tuesday 21st July 2020

### Online

Duration: 0.5 days

Price: FREE

#### Overview

This free to attend user group will consist of a two hour demonstration of how to build a basic LinSig junction model using a SCATS based controller. This is to give new users the opportunity to grasp the fundamentals of LinSig modelling. The demonstration will be followed by consideration of pre submitted questions and questions from the floor. Finally, training options will be discussed and the opportunity given to feedback on training requirements and preferred delivery mechanisms.

#### Who Should Attend

New and existing LinSig3 Users with a current Software Support agreement. Initially (subject to demand) attendance will be limited to two delegates per organisation.

#### Pre-requisites

A current software support agreement

#### Course Content
